+389 2 3065 381

She was born on 22.02.1976 in Kriva Palanka. In 1999 she graduated at the Faculty of Philology, Skopje and obtained a title Professor of English Language and Literature and a graduated Philologist in English Language and Literature - translator. In 2002 she earned MBA degree from Northeastern Illinois University, Chicago, USA. During her postgraduate studies she worked at the University as a graduate assistant in research and statistics. During her fourteen-year experience (2003-2017) in projects funded by foreign donors (European Union and the World Bank) she gained knowledge and skills in the practical implementation of financial support in the areas such as civil society, employment policies, social and health care and decentralization. In the period 2009-2017 she worked on the regional EU-funded project "Technical Assistance to Civil Society Organisations - TACSO" financed by the European Commission. She started working at MCIC in February 2018 as a coordinator of the resource centers for support of civil society organisations in Macedonia.
