

Marija Sazdevski, Project Assistant

msz@mcms.mk

+389 2 3088 983

Born on September 19, 1982 in Kragujevac, Serbia. Graduated at the Faculty of Economics within the University of Belgrade. She continued her academic education with postgraduate studies at the University Paris 1 Panthéon-Sorbonne and Ca' Foscari Venezia as an Erasmus Mundus fellow. She works in MCIC on projects related to democracy and development of civil society and their involvement in policy making at local and national level. She actively participated in development of local strategies for cooperation of municipalities and civil society and its continuous development in three pilot municipalities: Bitola, Debar and Jegunovce. As a team member of the project "Government Mirror" she participated in development of the report on Public Participation in Law-making Processes. At the moment, the focus of her activities is fight against corruption.
