***Civil society organisations response and adaptability to Covid-19 situation***

*Online Regional Forum  
29th March 2022*

This forum is organized in the frame of the regional project "Fostering regional cooperation and policy responses in time of crisis" implemented by Partners Albania for Change and Development, Macedonian Center for International Cooperation, Center for Civic Initiatives, Centre for Development of Non-Governmental Organisations, Civic Initiatives, and Kosovar Civil Society Foundation. The project is funded by the Balkan Trust for Democracy, a project of the German Marshall Fund of the United States and USAID.

The aim of the regional forum is to provide an overview of the current situation in the EU, highlighting impact, key issues, and challenges faced by Civil society organizations and the role of the relevant stakeholders, to present the main challenges in the field of cooperation between governments and CSOs during the CORONA 19 pandemic and to share best practices of CSOs concerning the topic. Finally, at this forum, policy recommendations will be proposed for institutions and stakeholders in addressing the problems and impact of pandemic/crisis

situations.

Over 100 participants from the Republic of North Macedonia, Albania, Kosovo, Serbia, Montenegro, and Bosnia and Herzegovina are expected at the event including representatives of CSOs, regional networks, international organizations, academia, private sector, media, relevant state institutions, and other relevant actors.

Please note that interpretation will be provided in English, Macedonian, Albanian, SBCM language.
